## ART DECO IN THE ALPS

Available in strictly limited editions of 280, our posters are newly-commissioned artworks by Charles Avalon, Dexter Brown and Katrine Köhli which capture the enduring appeal of Art Deco.

Our stylish debut collection comprises 24 original posters which we have designed, commissioned and published, depicting alpine Winter Sports resorts including Gstaad (4), St. Moritz (4), Zermatt (2), Crans-Montana (2), Davos (2), Verbier (2), Chamonix (2) and Val d'Isère (2). Each poster is approximately 97 x 65 cms (38 x 26 inches), and is signed, hand-numbered and embossed with a stamp of authenticity.
